

INFIRAY OUTDOOR
BOLT TL35 V2

Bolt Action Optimized Thermal Rifle Scope

The InfiRay Outdoor BOLT TL35 V2 was designed for optimal use on any platform that demands flexible mounting options and increased eye relief. In addition to the features found on the original TL35, the TL35 V2 adds several highly requested features including an AMOLED display, audio recording, and laser rangefinder connectivity via Bluetooth. The T-6061 aluminum housing allows mounting with standard 30 mm rings like a traditional day scope. A 50hz 12 μ m detector, HD display, and manual focus lens all team up to create an image that's anything but traditional. The TL35 V2 features a dual battery design for 10+ hours of run time and 32GB of internal memory to keep your optic going all night.

*optional Laser Rangefinder shown
